Percent of expenditures for teacher salaries**	70.0%	Up from 68.9%	65.0%	66.0%
ESEA composite index score	78.7	Down from 97.4	77.3	88.0

\* Length of contract = 185+ days.

\*\* Prior year audited financial data available.

## EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	39	85	45
Percent satisfied with learning environment	89.8%	91.8%	93.3%
Percent satisfied with social and physical environment	92.1%	87.2%	84.5%
Percent satisfied with school-home relations	84.6%	94.2%	86.1%

\*Only students at the highest elementary school grade level at this school and their parents were included.

## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Cottageville Elementary, a pre-kindergarten through fifth grade school, can be found along the Edisto River in the rural community of Colleton County. We celebrated the success of our school improving it's rating on the state report card to the "Good" category and an overall "A" rating on the federal ESEA rating. As a collection, the student body, faculty, staff, and administration have worked hard together to ensure that all students "Soar Like Eagles". Our aim is to help students become college and career ready so that they may become productive citizens.

The faculty and staff continues to utilize the weekly process of teacher collaboration on common standards, strategy identification to teach these standards, the use of common assessments known as Progress Monitoring, and a reflection of student performance. After teachers have analyzed data, students needing additional interventions receive small group instruction provided by the teacher. All students were assessed in reading and mathematics through the NWEA's Measures of Academic Progress or MAP three times during the year. This data was used to drive instruction and to meet the needs of all our students. Our reading instruction was driven by student performance on Dianne DeFord's Dominie text level assessment. Small group reading instruction was then delivered to students with a focus on common strengths, weaknesses or miscues. Students received additional reading instruction from a certified reading interventionist.

Students had opportunities for community outreach: Jump Rope for Heart, March of Dimes, Walk to School and food drives for the local food bank. Students had opportunities to participate in honor choir, football, and cheerleading. Students participated in the class and school spelling bee. One of our fifth grade students placed at the district spelling bee. Students were recognized for their successes at the end of each nine weeks for perfect attendance, Merit's List, Honor Roll and Superintendent's List during awards ceremonies. Teachers and staff were recognized for their efforts each month during a faculty meeting. Lashone Ellington was named our Teacher of the Year while Lauren Beck was named our Rookie Teacher of the Year.

Opportunities for parent involvement were provided through hosting several parent workshops. These included Class Meetings, Family Literacy Night, Math and Science Night, and improving home-school communication. Other activities were Thanksgiving Feast, Spring Fling, Jump Rope for Heart, Walk to School, and Field Day.

Our challenges include maintaining and improving our state and federal rating as the bar continually rises. We will address these challenges through our Title I interventions, differentiated instruction, providing our staff with the needed staff development and resources to implement the Common Core State Standards. Our plan for the 2013-2014 school year will include these initiatives so that Cottageville Elementary can maintain its vision of a community of learners soaring to be their best!

Tracy McDonald, Principal  
Judith Brodie, School Improvement Chairperson
